## TENNEY TAKES INAUGURAL SCCA SPEC RACER PRO SERIES WIN

DES MOINES, Iowa - David Tenney overcame a bumpy course and an early-race challenge to take the inaugural SCCA Spec Racer Pro Series race victory during the Ruan Greater Des Moines Grand Prix.

Tenney, in the Elite Autosport/Valvoline Spec Racer, qualified on the pole with a fast time of 1:35.060, .072-second ahead of second-place qualifier Keith Scharf.

"After qualifying, I talked to Tenney," Scharf said. "We both decided not to fight it out early on."

But seven laps into the race a duel broke out as Scharf, driving the Team Duke/Valvoline/Midwest Spce Racer, managed to slip by Tenney. Scharf was able to hold off Tenny until lap 13, when Scharf brushed a tire wall on turn five, allowing Tenney to regain the lead.

"With everybody using the same motor, any mistake is costly," Scharf said. "There was no room for error today."

"I got a good run at Keith," Tenney said of his pass to regain the lead. "He got just a little off line and I was able to take advantage."

After retaking the lead, Tenney was there for good, finishing the 31-lap, 49.6-mile race 1.9749-second ahead of Scharf.

"We'd set up the car so it would be fast through the corners," Tenney said. "Knowing this was a long and bumpy race, I held back at about 85 percent through the first half, trying to save the car's tires and brakes."

The Spec Racer Pro schedule was tight, with practice, qualifying, and the race all in one day, and the course was busy with 31 virtually identical cars vying for the win.

"This is probably the most intense day for the crew we've ever experienced, having everything in one day," third-place finisher Jon Mirachi said.

Mirachi, driving the Racers Edge Spec Racer, qualified fourth but slipped into third on the race's first lap, never relinquishing the position despite several charges by third-place qualifier Howard Libengood, in the Racers Edge Motorsports Spec Racer, and fifth-place qualifier Adam Wright, driving the Dublin Dental Associates Spec Racer.

Libengood ran in fourth-place for 19 laps before falling back with a flat tire, ending his day in 23rd place.

Wright fell back to eighth-place on the opening lap but steadily climbed his way through the field, gaining his race-finish fourth-place position on lap 20.

With his victory, Tenney leads the drivers' points battle with 20 points, followed by Scharf at 16 points and Mirachi with 14 points.

The SCCA Spec Racer Pro Series next stops at Watkins Glen, July 16-17.

### **STILWELL TAKES WATKINS GLEN SPEC RACER PRO SERIES WIN**

WATKINS GLEN, N.Y. -- Warren Stilwell qualified on the pole and out-dueled tough competition to win the SCCA Spec Racer Pro Series race at Watkins Glen International Raceway.

Stilwell, driving the Stilwell Racing Spec Racer, had trouble early in the race, falling behind Keith Scharf into fourth-place. But Stilwell managed to regain the lead on lap four and held on for the rest of the 15-lap contest.

"With the series only five races long, it's very important to finish near the front every time," Stilwell said. "In Des Moines we finished fourth, so obviously this win is very rewarding."

The battle for second-place was fierce, with the ownership changing hands four times. At the checkered flag, Sean Sholtis, in the Sholtis Racing Spec Racer, ended up second.

"I had some problems figuring out a couple of corners," said Sholtis, who started the race in second-place. "I thought that would allow Keith Scharf to pass me at the end of the race, but I managed to hold him off."

Keith Scharf, driving the Team Duke/Valvoline/Midwest Spec Racer, had to battle late-race engine problems as well as Stilwell and Sholtis, and fell from second-place with one lap to go, finishing in third.

"Watkins Glen is a very beautiful track - but also very demanding," said Scharf. "I'm just happy to come here on my first effort and place as well as we did."

August 21, 1994

**BOWMANVILLE**, Ontario, Canada - Warren Stilwell, driving the Stilwell Racing Spec Racer, went flag to flag to take the SCCA Spec Racer Pro Series victory at Mosport Park.

Stilwell, of Hartville, Ohio, won his second-straight series event with a nearly flawless drive, maintaining a two to three second lead throughout the race, finishing 3.187 seconds ahead of second-place finisher Bob Boudinot, of Fishkill, N.Y.

"We had a great run today," said Stilwell. "The car felt really good. This is such a fast track, handling was the real key - and my car's set-up was perfect."

Boudinot, driving the Computer Discount Center Spec Racer, started and finished the 20-lap, 49.18-mile race in second.

Neil Tilbor, of Mt. Laurel, N.J., finished third in the Pro Spec Race Team Spec Racer, followed in fourth by Chris Funk, of Kansas City, Mo., driving a second Pro Spec Race Team entry. Keith Scharf, of Kirkwood, Mo., finished fifth.

Scharf, driving the Team Duke/Valvoline/Midwest Spec Racer, and sixth-place finisher Adam Wright, in the Dublin Dental Associates Spec Racer, were involved in the best duel of the race.

Wright, of Columbus, Ohio, qualified seventh but moved up into sixth on lap two. From there, Wright and Scharf ran nose-to-tail for the remainder of the race, with Scharf holding off several challenges for the position.

After three races, Stilwell tops the Spec Racer Pro Series drivers' points standings, leading 52 to 41 over second-place Scharf. Boudinot's second-place finish propels him into third with 34 points, followed by David Tenney with 27 points, and Neil Tilbor, with 24 points.

***STILLWELL MAKES IT THREE IN A ROW WITH SPEC RACER PRO SERIES WIN  
AT BLOCKBUSTER VIDEO GRAND PRIX AT ROAD ATLANTA***

BRASELTON, GA., -- Warren Stillwell, of Hartville, Ohio, took his third straight Spec Racer Pro Series win at the Blockbuster Video Grand Prix at Road Atlanta.

Stillwell, driving the Stillwell Racing Spec Racer, led flag-to-flag to take the win, finishing the 20-lap, 50.9-mile race 7.823 seconds ahead of second-place finisher Neil Tilbor, of Mt. Laurel, N.J.

Tilbor, driving the Pro Spec Team Spec Racer, qualified 11th and worked his way up through the field in the race's most impressive drive.

Tilbor beat out third-place finisher David Underwood, of Houston, Texas, by less than .1-second, crossing the finish line side-by-side with Underwood.

"It was a heck of a race," said Tilbor. "I had to work my way up past a bunch of guys because I didn't qualify well. There was so much stuff on the track from the earlier races it made the track really slippery - it took all of my concentration keeping Underwood behind me."

Stillwell third straight Spec Racer Pro Series win gives him a 25 point lead over Keith Scharf in the drivers' championship battle, 72 to 47. Bob Boudinot is third in points with 44.

## **SCHARF GOES THE DISTANCE TO TAKE SPEC RACER PRO SERIES SEASON FINALE AT THE FORD GRAND PRIX OF DALLAS**

DALLAS, Texas - Keith Scharf, of Kirkwood, Mo., survived a race-long battle with 1994 Spec Racer Pro Series drivers' champion Warren Stilwell to take the victory at the season finale Ford Grand Prix of Dallas.

Scharf, driving the Team Duke/Valvoline/Midwest Spec Racer, started on the pole but swapped the lead several times with second-place finisher Stilwell.

"I went out knowing I'd have to set the pace, trying to keep in front to win," Scharf said. "This was a classic drivers' battle - Warren gave me a real run for the win."

With five laps remaining, Scharf claimed the lead for good, finishing the 35-lap, 54.5-mile race 1.869 seconds ahead of Stilwell.

"I knew Keith would be tough - he'd been very fast all weekend," Stilwell said. "I really had to hustle my car through the twisty parts of the track, but we just couldn't find enough speed to take him - Keith drove a great race."

Bennett Dorrance, of Phoenix, Ariz., finished third after coming out on top of a great 25-lap battle with fourth-place finisher Rod Dundas, of Houston, Texas.

Dundas started the race ninth, moved up two spots on the first lap and was behind Dorrance in fifth-place by lap 10. Dundas' charge toward the front stalled behind Dorrance, and Dundas remained in fifth until third-place Adam Wright hit the tire wall at turn three, dropping out of the race on lap 19.

Neil Tilbor, of Mount Laurel, NJ, finished fifth after making a steady climb from his 12th-place start.

Tilbor's finish gave him 54 points for the season, good enough for fourth place in the Spec Racer Pro Series year-end drivers' standings. Stilwell, with 88 points, clinched the drivers' title going into the Dallas race, and Scharf's victory moved him to second place, ending the year with 67 points. Bob Boudinot, with 54 points, finished the season in third, and David Tenney, with 27 points, finished fifth.
